

# Senator Robach's Community Connection

March 17, 2013

## Legislatively Speaking

Recently, I was proud to support the passage of legislation (S.3047) in the Senate which would ensure timely payments of tax refunds to New Yorkers.

Under this proposed legislation, the payment of tax refunds would have to be made with-in 30 days upon the receipt of a tax return.

As the April 15th deadline quickly approaches, taxpayers who overpaid on their State taxes should receive their refunds which rightfully belong to them.

Although most New Yorkers have in fact received their refunds in a timely fashion, this would ensure that all hard-working men and women would receive their tax refunds without delay.

## Greece Churches Partner with Habitat for Humanity

Recently, I had the privilege to attend the house warming ceremony for the latest Habitat for

Humanity Home, which was built from support of 12 churches in the Town of Greece. This is the fifth home as a result of this partnership.
