2011 Dictionary Project Wraps Up

On Tuesday, September 27th, I helped the Greece and Hilton Rotary Clubs wrap up our 2011 dictionary distribution project. Our final school stop was Craig Hill Elementary School in Greece. This year, we distributed 1,385 dictionaries to 3rd grade students in both the Greece and Hilton school districts. The purpose of the dictionary project is to promote, and teach students, comprehension and literacy. Best wishes to all the kids on a successful 2011-2012 school year!
