## Saluting Those Who Serve Our Country

Next Sunday, November 11th, we will celebrate Veterans Day.

Throughout the course of the weekend there are a number of events to commemorate the sacrifices that our brave men and women have made for our Country and to protect our freedom.

I would like to thank all of the courageous men and women who have served our Country and those who continue to protect us at home and around the world.

Over Veterans Day weekend I hope that you and your family will have the time to attend some of the community events that will take place to honor all of those men and women.

Some of these events are listed on the right hand side of this week's Community Connection.
