What Am I Thank full for

I am thankful for my family and my school. They both helped me survive a fire that was going to change my life forever.

One night the shoe repair shop under us had left there light bulb on the whole night. It had started a fire,Once it started, it was unbeatably. Good thing my brother and I were watching a movie in my parents room and we fell asleep in there. The fire started to burn the side of my apartment, We were all sleeping the smell of smoke woke my mom.

She told my dad to look out the the window There was the fire! The whole side of our Apartment was on fire. My dad said,"Get anything you can on your way out."We were very lucky to be able to get out.The fire took from 3:40 am and ended at 7:00 am.

Thank you to the community firefighters the fire went out. My school also at long beach helped by giving my family clothes and toys. I am most thankful for my parents bravery and quick thinking so we all got out safe.
