

**Senator Daniel Squadron invites you to celebrate  
Kathleen Henderson  
25<sup>th</sup> Senate District Woman of Distinction**

**Sunday, June 3 at 12:30pm  
Carroll Park**

Senator Squadron was proud to honor our beloved Carroll Park Playground Associate Kathleen Henderson as the **25<sup>th</sup> Senate District's Woman of Distinction** in a ceremony in the State Capitol earlier this month, part of an annual celebration that recognizes outstanding women throughout the state.

Kathleen, who has watched over Carroll Park for the past 16 years, is a treasure to the Carroll Gardens community, and a most deserving honoree.

Please join us in Carroll Park on Saturday to celebrate Kathleen and her many contributions to our community.

*Created by the Senate in 1998, the Women of Distinction program recognizes the historic contributions of New Yorkers whose contributions continue to shape our communities and our state and inspire our residents.*
