**What are you most thankful for?**

I am thankful for lots of things, My family, friends, house, education, teachers, and etc; What I'm really thankful for is actually my life. Every single little detail is a part of my life, my family, friends, teachers, and the people that I love and care are a part of my life. Every single thing that I do, is a part of my life. Life is so precious to lose. After Sandy people's lives are over the place. In the news, I see people sometimes actually saying that they are thankful for being alive while they lost their house, car, or any of their belongings.

I'm happy to be alive and happy not  
not losing my house during the hurricane.  
I'm blessed with everything that I need  
and to be honest, I might be a little spoiled  
but in the end I will always know that  
I am loved and cared. Referring to what  
I just wrote, my life is precious, everyone  
in this world lives are precious. I am thankful  
for everything. Every thing that I am, that I do,  
what revolves around me is my life. I am  
thankful for my life. This is what I'm,  
honestly, thankful.
