Helping to Catch Who Is Responsible...

You probably have seen the reports of theft at RG&E's Russell Station property and the vandal-caused oil spill where 4,800 gallons of oil spilled from a transformer as a result of this criminal act.

As the clean up continues, I am asking anyone who has any information to come forward and help find those responsible.

Earlier this week, RG&E, in cooperation with the Greece Police Department, announced they were offering a \$5,000 reward to anyone who provides information that leads to the arrest and conviction of the individual or individuals responsible for releasing oil and stealing copper from the spare transformer. Information should be provided directly to the Greece Police Department tip line at 581-4016. Further information on this can be found on my website.

Greece Police Department's Citizen's Police Academy Picnic

On Tuesday, August 24th, I had the privilege to make remarks at the Greece Police

Department's Police Academy Picnic. This event honors residents in the Greece community who have strived to learn more about the criminal justice system and how to keep their families and our community safe. This was the 14th year for the event, and the guest speaker was Town of Greece Police Chief Todd Baxter.
