Legislatively Speaking...

On Wednesday, July 28th, Governor Paterson called for an extraordinary session so that a final budget could be put in place. I introduced a bill earlier this year that would sequester all members of the legislature when a budget is not passed by the April 1st deadline, until such time of legislative passage of a budget. Unfortunately, despite support from colleagues on the other side of the aisle, this was not taken up for vote.

Last year, I voted against the budget which increased spending by 9% and added \$8 billion in new taxes and fees. I will once again vote against any budget that would cause a burden on our small businesses and working families by increasing taxes and adding new fees.

Remembering James 'Max' Lill

On Friday, July 23rd, I made remarks at a ceremony to dedicate Max Lill Drive. This will run from South Avenue to the Vietnam Veterans Memorial parking lot in Highland Park. An Army Veteran of the Vietnam War, Lill passed away last month and was presented the Roger Robach Veteran's Award earlier this year. Lill was instrumental in the construction of the Vietnam Veterans Memorial. The memorial was opened to the public in 1996.
