“As the Ranking Minority member of the Senate’s Commerce, Economic Development and Small Business committee, and a small business owner myself, I truly enjoy working with the many business leaders throughout the 3rd Senate District. Many times, those same business leaders serve on the Boards of their local Chambers of Commerce, helping to promote and grow their local business communities. The Greater Patchogue Chamber of Commerce is one that has been wildly successful, helping to create an incredibly vibrant and active business community and much of that success is due to the efforts of their Executive Director, David Kennedy,” said **NYS Senator Dean Murray, 3rd Senate District.**

Murray added, “In addition to him being a driving force in the business community, he’s also an all-around great guy.”
