NAME OF ORGANIZATION: City of Lackawanna

LOCATION OF PROJECT: Lackawanna Senior Center
203 Martin Rd., Lackawanna, NY 14218

DESCRIPTION OF PROJECT: The Senior Center requires replacement of 25 windows, the roof, the flooring and the heating system. The Center is currently 16 years old and the windows are fogged, broken and have deteriorating frames that have lost the ability to seal the interior of the Center from the outside environment, resulting in increased heating costs and an unacceptable environment for fragile seniors. The 16-year old roof was very poorly repaired in 2002 and has now deteriorated to the point that it must be replaced in order to avoid further water damage to the Center's electrical wiring, HVAC system and floor. The original heating system has outlasted its effectiveness and is now unreliable for heating and cooling the Center. The City of Lackawanna, under severe fiscal constraints since the closing of Bethlehem Steel operations, lacks financial resources to make these needed repairs. The City is facing a critical need to repair this facility to protect the building's infrastructure, visitors and staff, and to control the soaring fuel costs.

NAME OF ORGANIZATION: Union Settlement House

LOCATION OF PROJECT: Corsi Senior Center
307 East 116th Street, New York, NY 10029

DESCRIPTION OF PROJECT: Grant funds would support much-needed case assistance services for Corsi's 400 seniors, where demand greatly surpasses our current case worker capacity. A Case Worker would be hired to work approximately 20 hours a week at Corsi, providing supportive contact, referrals, immigration counseling, and -- most pressing -- benefits and entitlement counseling by educating our seniors about the services for which they may be eligible. The Case Worker would help the seniors to apply for services, assisting with forms, helping gather documentation, as well as accompanying seniors to benefits offices as necessary. The changes in Medicare Part D and other benefits mean that our seniors require more assistance than ever to identify, apply for, and begin receiving all benefits and social services for which they are eligible, such as food stamps, tax refunds, Metro cards, Medicaid, Senior Citizens' Rent Increase Exemptions and other housing assistance, tax refunds for seniors and Metrocards.
