

### **Experience the New UB Educational Opportunity Center**

You may have heard that the University at Buffalo Educational Opportunity Center will have a new home in a few years. EOC is not waiting for new digs to begin to sharpen up its game to make it possible for adult learners to make the transition to personal, educational or employment goals - **tuition-free!** At the new EOC, students are Taking Ownership of Learning Successfully (TOOLS) from the moment they enroll.

Here is a sample of the programs that EOC has to offer. One of these programs might be just the thing that you (or maybe someone you know) need, to take that next step on your pathway to a career or towards reaching your educational goals.

- **Do you know anyone that needs a GED or just needs to take one or two sections of the GED?** EOC is here for you. Our GED Assessment Program (GAP) can give exam takers a shot of confidence as they prepare to take the examination. Our GED preparation classes and academic labs can provide adult learners opportunities for structured and self-paced learning.
- **Are you thinking about going back to college?** Our College Preparatory Program and Academic Refresher Courses are designed to help adults make that transition. Our College Immersion Program is located on the University at Buffalo South Campus.
- **Do you need to sharpen up your computer skills?** EOC is proud to offer training for Microsoft Unlimited Potential Certification.
- **Have you been wondering if there is a place in the Green Industries for you?** EOC offers training in Weatherization, Environmental Restoration, and through a special arrangement with SUNY Morrisville, a seminar to help prepare individuals who are interested in jobs in the Renewable Energy field.

Applications are being taken now. For more information call 716-849-6727 ext. 500, visit our website at [www.eoc.buffalo.edu](http://www.eoc.buffalo.edu), or visit our office at 465 Washington Street, Buffalo, New York.
