# Make a Splash...READ!!!

Summer Reading Journal  
Compliments of Senator Frank Padavan

# Make a splash and read with me this summer!

Now that you are officially a participant of the New York State Senate's Summer Reading Program, use this reading journal to record your adventures. I have listed some easy steps to help guide you in your reading:

1. Choose at least three interesting books and start reading!
2. When you finish each book, write down the title and the author, telling me what the book was about.
3. After you have read three books, have a parent or guardian sign this journal.
4. Fold the journal in half, with the mail panel showing, tape the top closed, put a stamp on your journal and mail it back to me. Once I receive your completed journal, I will send you a special certificate congratulating you on completing the New York State Senate's Summer Reading Program.

Your Friend,

A handwritten signature in black ink that reads "Frank Padavan".

Senator Frank Padavan
