

Dear Friend:

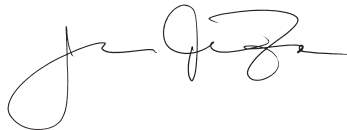

It is my pleasure to provide you with a copy of the 2013 New York City Parking Calendar.

Please keep the calendar handy and refer to it whenever you have questions about where and when you may legally park your vehicle on holidays and days of religious observance throughout the year. Knowing the parking rules may save you the headache and expense of receiving a ticket or having your vehicle towed.

I hope you will find this calendar useful throughout 2013.

As always, if I or my staff can be of any assistance to you, please don't hesitate to contact my office.

Sincerely,

Senator Jose Peralta

Please note:

Alternate side parking regulations may be suspended from time to time due to snow emergencies, inclement weather conditions or other emergencies. For further information, please visit the Department of Transportation website at www.nyc.gov/dot or dial 311 for more information.

All calls to 311 are answered by a live operator, 24 hours a day, seven days a week, and services are provided in over 170 languages. Dial 311 from within the City or 212-NEW-YORK (212-639-9675) outside the five boroughs. TTY service is also available by dialing (212) 504-4115.

All of NYC was designated a Tow Away Zone under the State's Vehicle and Traffic Law in 1959. This means that any vehicle parked illegally, or with missing or expired registration or inspection stickers, may be towed.

Double parking of passenger vehicles is illegal at all times, including street cleaning days, regardless of location, purpose or duration.

It is illegal to park within 15 feet of either side of a fire hydrant. The painted curbs at hydrant locations do not indicate where you can park.

An occupied, illegally-parked vehicle causes the same safety hazard and congestion as an unoccupied vehicle. Exercise responsibility; park legally.

This brochure was prepared with information from the New York City Department of Transportation, 55 Water Street, 9th Floor, New York, NY 10041, Dial 311 or visit: www.nyc.gov/calldot
