Senator Foley fought to put tax dollars back in your pocket and protect your home.

TELL THE ASSEMBLY TO MAKE IT THE LAW.

“Keeping property taxes down has always been a primary focus of mine. This legislation will help reign in spending and force accountability. It needs to be made into law, and I need your help. Sign onto my petition, and let’s tell the Assembly that it’s time to do the right thing for taxpayers.”

GET INVOLVED!

Without an Assembly vote, residents won't get the property tax relief they need.

HOW YOU CAN HELP:

Fill out and return the form below or sign Senator Foley's online petition at foley.nysenate.gov

Senator Foley voted twice this year to cap property taxes for families.

Senator Foley's plan would:

- **Cap Out-of-Control School Property Taxes**
Mandatory tax cap with no increases over 2% this year
- **Give You The Power To Keep Taxes Low**
Local voters could impose a tougher limit or override cap if necessary
- **Cap Out-of-Control Municipal Property Taxes**
Limit local government taxes to the inflation rate
- **Provide Real Relief For All Property Owners**
Tax relief for all families regardless of income or property value
