

Blessing

In remembering these terrible events

*We recognize our great need for your guidance and
protection*

*We have painfully learned that our Country is vulnerable
and that violence can disrupt both individuals and Nations*

We pray then for the healing

*For all the people whose lives were shattered in the attacks
For the rescuers, the professional fire fighters and policeman
and the heroic average citizen who met the worst of humanity
with the best of humanity*

We pray for those who are defending our freedoms

We pray for wisdom for our leaders

We pray for peace for our Country and our world

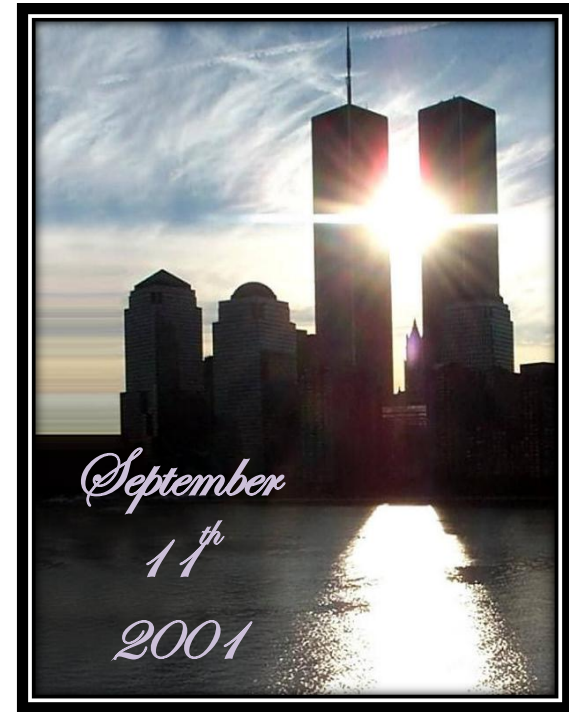

As we remember

*Hold us in your loving hands and look down on this
memorial and protect it*

*Bringing into your arms all the innocent victims
we honor here today*

**A Special Thank You to the
Atlantic Steamer Fire Co. #1,
Gooseberry Grove owner Bob Leibold for providing the
refreshments, the Town of Oyster Bay and the
Waterfront Center.**

We Shall Never Forget

*We remember today, what we have lost and those we have loved,
and we take comfort in knowing that we are not alone in this*
