Constituents can bring disused documents to Newburgh Mall where they will be shredded for free

TOWN OF NEWBURGH -- State Senator Rob Rolison (39th District) today announced that his office will host another free paper-shredding event on Saturday, August 26 at the Newburgh Mall, Town of Newburgh. Constituents are encouraged to register for the Hudson Valley Credit Union-sponsored event [here](https://hvcu.org/Shred). You may also call 845-229-0106 or email rolison@nysenate.gov to reserve a time.

A Legal Shred truck will accept up to four bags per district resident and process the paper documents on the premises. Rolison's first shredding event, held on June 3 at John Jay High School in East Fishkill, Dutchess County, attracted over 200 participants.

"This popular community event is an opportunity for residents to dispose of old documents and disused paper in a clean and environmentally safe manner. I encourage everyone to join our District Office staff on Saturday, August 26. We're here to help," said Senator Rolison.
