Griffo statement on toll increases

JOSEPH A. GRIFFO September 18, 2023

| ISSUE: **NEW YORK STATE THRUWAY AUTHORITY; TOLL INCREASES**

“I am disappointed that the New York State Thruway Authority Board of Directors has approved increasing tolls, which I opposed and urged the board to reject. While I recognize that there is a need to maintain the Thruway system, this toll hike will further burden New Yorkers and visitors to our state at a time when many are struggling due to high prices, rising energy costs and other economic challenges.”
