Senator Webb Successfully Concludes Back to School Supplies Drive for Teachers

LEA WEBB September 21, 2023

ISSUE: **ACCESS TO EDUCATION**

(**SENATE DISTRICT 52**) Senator Lea Webb is thrilled to announce the successful conclusion of her Back to School Supplies Drive for Teachers. This initiative was launched to provide crucial support to educators and their students, ensuring they have the necessary supplies for a successful academic year. Senator Webb's commitment to education and community welfare has been unwavering, and this initiative is an example of her dedication to our local educators.

The Back to School Supplies Drive for Teachers collected supplies at various collection sites throughout Senate District 52, making it convenient for residents in Broome, Cortland, and Tompkins Counties to contribute to this vital cause. This year's drive received an impressive array of school supplies, from notebooks and pencils to tissues and art materials. These contributions will directly benefit teachers and help to create a more conducive learning environment for students throughout Senate District 52.

"I am inspired by the generosity and dedication of our community members who came together to support our teachers and students," **said Senator Lea Webb**. "It's incumbent upon us that we work to guarantee that every student has access to the essential resources required for their success. Together, we're ensuring that our teachers do not have to bear the burden of purchasing necessary materials from their own pockets. I extend my heartfelt gratitude to all those who rallied behind this critical cause."
