

NEW YORK STATE SENATOR

Cordell Cleare

NY law requires educational materials about anaphylaxis, autoinjectors for teachers

RICHARD GAWEL September 26, 2023

NY law requires educational materials about anaphylaxis, autoinjectors for teachers

"**New York Gov. Kathy Hochul** has signed legislation that requires the state's commissioner of health to provide written information on how to recognize anaphylaxis and use epinephrine autoinjectors to the state's teachers.

Sponsored by **Sen. Cordell Cleare** and **Assemblymember Linda B. Rosenthal**, Senate Bill S209A goes into effect immediately."
