Lea Webb

Senator Lea Webb and Assemblywoman Donna Lupardo Respond to the NYSEG Rate Case Decision

LEA WEBB | October 13, 2023

| ISSUE: **PROTECTING UTILITY RATEPAYERS, BINGHAMTON**

BINGHAMTON, NY - While yesterday's three-year rate plan approved by the Public Service Commission reduced NYSEG's original proposal by 50%, any increase in utility costs represents a financial burden for working families and businesses in the Southern Tier. As the state advances its climate goals, we are committed to finding common-sense solutions to protect ratepayers and provide energy affordability.
