Protecting New Yorkers' Vote

Legislation (S. 350/A. 5874) prohibits "forum shopping" in constitutional challenges for election cases.

Legislation (S. 438/A. 928) prohibits "faithless electors" from impacting the outcome of a presidential election.

"When so-called 'faithless electors' put their weight behind a different candidate than the one voters have chosen, it undermines our most essential democratic process. I applaud the Governor for signing this and numerous other important measures today, protecting the free and fair elections New Yorkers deserve," said State Senator James Skoufis.
