

2023-R1952

Senate Resolution No. 1952

BY: Senator STEWART-COUSINS

RESOLUTION in response to the 2024-2025 Executive Budget submission (Legislative Bills S.8300-A, S.8301, S.8302, S.8303-A, S.8304-A, S.8305-A, S.8306-A, S.8307-A, S.8308-A, S.8309) to be adopted as legislation expressing the position of the New York State Senate relating to the 2024-2025 New York State Budget

WHEREAS, It is the intent of the Senate to effectuate the timely passage of a State Budget; and

WHEREAS, It is the intent of the Senate to engage in the Budget Conference Committee process, which promotes increased participation by the members of the Legislature and the public; and

WHEREAS, The Senate Finance Committee has conducted an extensive study and review of the Governor's 2024-2025 Executive Budget submission and has recommended proposed amendments to such Budget submission in the above referenced Legislative Bills and Report on the Executive Budget; and

WHEREAS, Article VII of the New York State Constitution provides the framework under which the New York State Budget is submitted, amended and enacted. The New York State Courts have limited the Legislature in how it may change the appropriations bills submitted by the Governor.

The Legislature can delete or reduce items of appropriation contained in the several appropriation bills submitted by the Governor in conjunction with the Executive Budget, and it can add additional items of appropriation to those bills provided that such additions are stated separately and distinctly from the original items of the bill and refer each to a single object or purpose; and

WHEREAS, An extensive study and review of the Governor's 2024-2025 Executive Budget submission has revealed that the construction of the budget bills submitted to the Legislature by the Governor constrains the Legislature in its ability to fully effectuate its intent in amending the Governor's budget submission; and

WHEREAS, The Senate has amended the Governor's 2024-2025 Executive Budget submission to the fullest extent possible within the authority provided to it pursuant to Section 4 of Article VII of the New York State Constitution; and

WHEREAS, The Senate, in addition to the Governor's 2024-2025 Executive Budget submission bills as amended by the Senate in the above referenced legislative bills, does hereby provide its recommendations as to provisions in the Governor's 2024-2025 Executive Budget submission which reflect those items the Senate is constrained from effectuating as amendments to the 2024-2025 Executive Budget appended hereto; and

WHEREAS, It is the intent of the Senate that upon the passage of the Governor's 2024-2025 Executive Budget submission as amended by the

Senate, the incorporated Report on the Amended Executive Budget may provide a basis for both houses of the Legislature to convene Committees on Conference pursuant to Joint Rule III of the Senate and Assembly for the purpose of reconciling any differences between the amendments to the

Governor's budget as proposed by each house of the Legislature; now, therefore, be it

RESOLVED, That the above referenced Legislative Bills be and are incorporated as part of this resolution and are hereby adopted as the New York State Senate's budget proposal for the 2024-2025 New York State Budget.

Article VII Proposal (S.8307-B)

* PART A -- The Senate modifies the Executive proposal to extend the Medicaid Global Cap through SFY 2026 by instead repealing it (S.4861).

* PART B -- The Senate modifies the Executive proposal to extend various provisions and programs within the Public Health and Mental Hygiene Laws by making the carve-out of school based health centers from Medicaid managed care permanent (S.7840), extending the notice of closure or transfer of a state-operated individualized residential alternative (S.8183), extending the Civil Service Employees Association's Care Demonstration program for individuals with intellectual and developmental disabilities (S.8184), advancing certain provisions found within S.6733 regarding reimbursement parity services provided via telehealth, making the telehealth extender permanent, making the Opioid Stewardship Fund (OSF) extender permanent, and directing that at least 10 percent of funds from the OSF be invested in recovery services and supports (S.8412).

* PART C -- The Senate modifies the Executive proposal to remove the temporary allowance of certified school psychologists to practice as Early Intervention (EI) providers and to extend the authorization of Non-EI services for school psychologists for certain preschool programs for an additional two years by only accepting the extension and rejecting the rest of the proposal.

* PART D -- The Senate modifies the Executive proposal regarding hospitals by accepting the provision realigning the Upper Payment Limit statute with the calendar year while preserving current amounts and rejecting the reduction of the capital rate add-on and the extension of the Distressed Provider Assistance Program.

* PART E -- The Senate modifies the Executive proposal regarding nursing homes by accepting the provision shortening the state residency requirement for admission to a state-run Veterans Home and rejecting freezing the operating component of nursing home rates and

the reduction of the capital cost component of the rates.

* PART G -- The Senate intentionally omits the Executive proposal to eliminate wage parity for personal assistants in the Consumer Directed Personal Assistance Program (CDPAP) in New York City and Nassau, Suffolk, and Westchester counties.

* PART H -- The Senate intentionally omits the Executive proposal to exempt Medicaid managed care from the state's independent dispute

resolution process, eliminate the one percent across-the-board rate increase for Medicaid managed care, authorize the Department of Health (DOH) to impose liquidated damages to managed care organizations, and to temporarily stop the processing and approval of applications to establish managed care providers until DOH completes a procurement process for the managed care program.

* PART I -- The Senate intentionally omits the Executive proposal to allow the Department of Health to eliminate drugs from the Medicaid list of over-the-counter covered drugs without prior notice, eliminate prescriber prevails from Medicaid, require pharmacies to submit annual cost reports, reduce Medicaid reimbursement for certain drugs, and to repeal the Medicaid Drug Cap and substitute it for an enhanced Supplemental Rebate Program.

* PART J -- The Senate modifies the Executive proposal to make changes to the Essential Plan by accepting the Executive's proposals to delay Essential Plan coverage of long term supports and services for individuals up to 200 percent of the federal poverty line (FPL) for one year, extending the state's authority to implement long term supports and services for individuals 0-138 percent FPL who are ineligible for Medicaid due to their immigration status for one year, making conforming changes to the New York State of Health Marketplace related to the 1332 State Innovation Waiver, and authorizing the Department of Health to seek a federal waiver for the creation of a premium/cost-sharing subsidy program for

individuals under 350 percent FPL by including provisions to extend coverage to undocumented individuals through the 1332 State Innovation Program (S.2237-B).

* PART K -- The Senate modifies the Executive proposal to extend the Hospital Liability Pool and the Excess Medical Malpractice Insurance program for an additional year and to change its payment structure by only accepting the extension and rejecting the rest of the proposal.

* PART L -- The Senate intentionally omits the Executive proposal to discontinue certain public health programs.

* PART M -- The Senate accepts the Executive proposal to allow children up to the age of 6 to remain continuously enrolled in Medicaid or Child Health Plus without redetermining their eligibility annually.

* PART N -- The Senate modifies the Executive maternal health proposal to codify the right of minors to obtain contraception and all forms of reproductive health care while pregnant by making technical changes that preserve the intent of the Reproductive Health Act, accepting the issuance of a non-patient specific standing order for doula services, and intentionally omitting the proposal to require informed consent to test pregnant individuals for alcohol, cannabis, and drugs.

* PART O -- The Senate modifies the Executive proposal to expand hospital financial assistance under the Indigent Care Pool (ICP) and provide protections against medical debt by accepting provisions requiring all hospitals to obtain informed consent for payment from the patient separately from their consent for treatment, placing enhanced protections on applications for medical credit cards and other medical financial assistance products, requiring providers to notify patients about the risks of using a standard credit card to pay medical debt, and advancing certain provisions found within S.1366-B increasing eligibility for financial assistance under the

ICP and creating a statewide uniform financial assistance policy.

* PART P -- The Senate accepts the Executive proposal to make temporary provisions regarding pharmacists and nurse practitioners permanent, make the Collaborative Drug Therapy Management Demonstration program permanent, and extend the Nurse Practitioner Modernization Act by two years.

* PART Q -- The Senate intentionally omits the Executive proposal to expand the scope of practice for physician assistants, certified medication aides, dentists, and dental hygienists.

* PART R -- The Senate intentionally omits the Executive proposal to enter New York into the Interstate Licensure Compact and the Nurse Licensure Compact.

* PART S -- The Senate modifies the Executive proposal to create a statewide Healthcare Safety Net Transformation Program to support safety net hospitals through five-year partnerships with other healthcare facilities by creating a new Statewide Health Care Transformation Program VI with language ensuring the geographical balancing of the distribution of funds under such program.

* PART T -- The Senate modifies the Executive proposal to end preventable epidemics by accepting the clarification of Human Immunodeficiency Virus (HIV) notice of testing requirements, requiring clinical laboratories to report to the Department of Health both positive and negative results for HIV, Hepatitis B and C, and Syphilis, allowing licensed pharmacists to dispense HIV Pre-exposure Prophylaxis through a non-patient specific order, allowing licensed pharmacists to administer the Monkeypox vaccine through a non-patient specific order, accepting the repeal of the criminalization of sexual activity by an individual who knowingly has a sexually transmitted infection and has sexual intercourse with another person, and advancing certain provisions found within S.3467-A regarding authorizing pharmacists to perform HIV tests.

* PART U -- The Senate modifies the Executive's opioids and overdose prevention proposals by accepting the provision exempting practitioners from verifying certain registries before prescribing or ordering a controlled substance for use at certain facilities, allowing disclosure of patient identifying information to certain programs within the Department of Health (DOH) and local health departments for public health research, surveillance, or education and retaining such information for a number of years, allowing providers to initiate maintenance treatment by dispensing a certain supply of Buprenorphine in accordance with federal law while arranging a referral to an authorized maintenance program, repealing the requirement for a practitioner to submit a confidential report to DOH regarding a patient's potential drug or alcohol use, and rejecting the inclusion of several controlled substances to the State's Controlled Substances Schedule.

* PART V -- The Senate modifies the Executive proposal regarding Hospital at Home and Emergency Medical Services (EMS) by rejecting the Hospital at Home program, the extension and expansion of the Mobile Integrated and Community Paramedicine Program, the change in the definition of emergency medical services, the authorization EMS demonstration programs, the authorization certified nurse practitioners and licensed physicians to prescribe and order non-patient specific regimens to allow EMS practitioners to administer vaccines, the creation of the minimum standards for the licensure of EMS practitioners and for the specialized credentialing of these practitioners, the enactment of the "Emergency Medical Services Essential Services Act," and the authorization of paramedic urgent care programs. The Senate instead advances language to declare general ambulance services as an essential service, establish special districts for the financing and operation of general ambulance services, and provide for a statewide

comprehensive emergency medical system plan (S.4020-C).

* PART GG -- The Senate modifies the Executive proposal to allow the Department of Health (DOH) to permanently enter into contracts and amend the terms of current contracts awarded before the approval of the 1115 Waiver to help DOH implement projects authorized under the Waiver by allowing such authority for one year.

* PART HH -- The Senate intentionally omits the Executive proposal regarding the Consumer Directed Personal Assistance Program (CDPAP), which would repeal the fiscal intermediary procurement and instead replace it with an authorization process, allow the Department of Health to issue regulations on the authorization process and the program generally, eliminate conflict of interest between fiscal intermediaries, home care agencies, and managed long term care plans, and repeal the "designated representative" provisions from CDPAP.

* NEW PART II -- The Senate advances language to allow medically fragile young adults who reside in pediatric specialized nursing facilities to remain in place until the age of 36 and maintain the rates of reimbursement for these individuals (S.5969-A).

* PART H -- The Senate accepts the Executive proposal to provide for the filing of Amended Sales Tax Return.

* PART I -- The Senate modifies the Executive proposal to extend for three years the sales tax exemptions connected to the Dodd Frank Protection Act to extend these provisions for one year and to add language requiring that the cost of this tax expenditure be

calculated and reported to the Governor and the Legislature prior to next year's budget deadline.

* PART J -- The Senate accepts the Executive proposal to extend the sales tax exemption for vending machines for one year.

* PART K -- The Senate modifies the Executive proposal to modernize the vacation rental industry by replacing the Executive's language with language which creates a statewide registry of short term rentals, while allowing localities to maintain their own registries, and imposes the sales tax and hotel and motel occupancy taxes on short term rentals (S.885-B).

* PART L -- The Senate modifies the Executive proposal to repeal and

replace the cannabis potency tax with language which phases in a permanent rate for the new wholesale tax over a multi-year period (S.4831-B).

* PART M -- The Senate intentionally omits the Executive proposal to clarify the Telecommunications Assessment Ceiling Program.

* PART N -- The Senate modifies the Executive proposal creating a new process for distribution of surplus proceeds related to the auction of properties subject to foreclosure by adding a variety of homeowner protections.

* NEW PART S -- The Senate advances language to fully de-couple New York from the Qualified Opportunity Zones program and to tax capital gains from investments in these zones in the same manner as other capital gains are taxed (S.543-A).

* NEW PART T -- The Senate advances language ending the sales and use tax exemption for the cost of a boat above \$230,000 (S.2557).

* NEW PART U -- The Senate advances language ending the sales and use tax exemption for private aircraft (S.2556).

* NEW PART V -- The Senate advances language requiring vapor product distributors to be licensed by the State and gives the Department of Taxation and Finance the power to enforce the collection of excise taxes on vaping products (S.8559).

* NEW PART W -- The Senate advances language to repeal the excise tax on medical cannabis (S.5365).

* NEW PART X -- The Senate advances language to expand the maximum credit for the solar energy system equipment credit from \$5,000 to \$10,000, to allow the credit to include costs of storage systems installed, to make the credit refundable for low to moderate income taxpayers or individuals living in disadvantaged communities (S.3596-C).

* NEW PART Y -- The Senate advances language to expand the maximum credit for geothermal energy systems expenditures from \$5,000 to \$10,000 and to make the credit refundable for low to moderate income

taxpayers or individuals living in disadvantaged communities (S.8106).

* NEW PART Z -- The Senate advances language to exempt the installation of residential energy storage systems from the sales and use tax (based on S.4547).

* NEW PART AA -- The Senate advances language to make programmatic changes to the digital gaming media production credit to make the credit more effective (based on S.6997-A).

* NEW PART BB -- The Senate advances language to exempt nonprofit carshare organizations from the supplemental car rental tax (S.7848).
