

## 2023-J2249

Senate Resolution No. 2249

BY: Senator RIVERA

MEMORIALIZING Governor Kathy Hochul to proclaim  
May 2024, as Hypertension Awareness Month in the  
State of New York

WHEREAS, It is the custom of this Legislative Body to recognize  
official months that are set aside to increase awareness of serious  
health issues that affect the lives of citizens of New York State; and

WHEREAS, Attendant to such concern, and in full accord with its  
long-standing traditions, it is the sense of this Legislative Body to  
memorialize Governor Kathy Hochul to proclaim May 2024, as Hypertension  
Awareness Month in the State of New York, in conjunction with the  
observance of National Hypertension Awareness Month; and

WHEREAS, Hypertension, also known as high blood pressure, affects  
nearly half of all Americans and is a major risk factor for heart  
disease and stroke, which are the leading causes of death in the United  
States; and

WHEREAS, In 2021, the latest year for which data is available,  
Hypertension was a primary or contributing cause of death for more than  
691,000 people in the United States; and

WHEREAS, The most important preventable risk factor for premature  
death worldwide, Hypertension increases the risk of ischemic heart

disease, strokes, peripheral vascular diseases, aortic aneurysms, and atherosclerosis, as well as chronic kidney disease, atrial fibrillation, leukemia, pulmonary embolisms, cognitive impairment, and dementia; and

WHEREAS, Hypertension can be difficult to diagnose and manage, as the symptoms that portend Hypertension are due to nonspecific lifestyle and genetic factors; and

WHEREAS, Hypertension can cause serious pregnancy complications in the form of pre-eclampsia, which increases the risk of pregnancy complications such as premature birth, low birthweight, or stillbirth; Hypertension during pregnancy can double the risk of stillbirth; and

WHEREAS, Hypertension affects non-Hispanic black adults at rates several times higher than that of other populations and thus is a contributing factor to disparate health outcomes faced in New York; and

WHEREAS, The New York State Legislature continues its commitment to educate the public in the importance of early detection and prevention, to support institutions that further research and knowledge in the treatment of hypertension and to promote an environment in which a healthy lifestyle will result in healthy minds and bodies; now, therefore, be it

RESOLVED, That this Legislative Body pause in its deliberations to memorialize Governor Kathy Hochul to proclaim May 2024, as Hypertension Awareness Month in the State of New York; and be it further

RESOLVED, That a copy of this Resolution, suitably engrossed, be transmitted to The Honorable Kathy Hochul, Governor of the State of New York.
