MyRye.com: VIDEO: 9-11 Ceremony @ Rye FD Locust Avenue HQ

JAY SEARS September 11, 2024

The City of Rye held its annual September 11th Commemoration Ceremony on Wednesday at 5:30 pm outside Rye FD headquarters on Locust Avenue. The ceremony drew a light crowd. Remarks of local officials were powerful reminders of that day 23 years ago, its impact on Rye and the world, and a reminder of the common experience that bonds us together.

The ceremony included a blessing by Father William Mendoza of the Church of the Resurrection and remarks by public officials Mayor Josh Cohn, County Legislator Catherine Parker, State Assemblyman Steve Otis, County Executive George Latimer State and State Senator Shelley Mayer (all the officials are Rye residents except for Mayer).

Captain Clyde Pitts of Rye FD read the names of those from Rye lost. Robin Latimer, Rye resident and wife of County Executive George Latimer, sang God Bless America.
