JEREMY COONEY November 26, 2024

(ROCHESTER, NY) - Yesterday, **NYS Senator Jeremy Cooney (D-Rochester)** and representatives from T-Mobile's new Customer Experience Center, which opened in Rochester earlier this year in Henrietta, visited SWAN (Southwest Area Neighborhood) at Montgomery Neighborhood Center to deliver free turkeys and food for Thanksgiving. Following years of partnership between Senator Cooney and SWAN, the Senator connected T-Mobile to the neighborhood center to deliver this food to area seniors.

“Thanksgiving is a time for gratitude, but it’s also a time for community,” said **Senator Cooney**. “I’ve been proud to work with SWAN for years, and I’m proud to connect them with T-Mobile now and give back to our older adults during this holiday season.”

“T-Mobile partnered with Senator Cooney to help meet the needs of seniors in our Rochester community through this turkey and food donation,” said **Larry Petrone, Director, T-Mobile Customer Experience Center in Rochester**. “The T-Mobile employees who delivered meal kits are grateful for the chance to share the warmth of a holiday meal with those who need it most.”
