Senator Addabbo provides veterans supply donations to Victoria Townes, Center for Development and Civic engagement (CDCE) Specialist, at the St. Albans VA.

As part of his perpetual clothing and supplies drive to help veterans in need, Senator Joseph P. Addabbo, Jr. dropped off another round of items at the St. Albans VA on December 2, 2024. He presented them to Victoria Townes, Center for Development and Civic Engagement (CDCE) Specialist. Senator Addabbo, who is a member of the Senate Committee on Veterans, Homeland Security and Military Affairs, plans to return to the site at least one more time before the December holidays.

“These men and women served our country and sacrificed so much for our freedoms, the least we can do is help them with some basic supplies,” Addabbo said. “I would like to thank all the donors for being so generous. I really appreciate it. We will continue this collection drive until all needs are met, no matter how long it takes.”
