LIZ KRUEGER December 21, 2024

| ISSUE: **KNICKERBOCKER GREYS**

New York City – Senator Liz Krueger released the following statement regarding Governor Hochul signing [S.7212](#), legislation that requires the Park Avenue Armory to continue to provide space to the Knickerbocker Greys, a beloved after-school program that has been housed in the Armory for more than a century:

"I am very pleased that Governor Hochul has signed this bill. The Knickerbocker Greys are a beloved part of the Upper East Side, and have been for over a century. They are a wonderful part of the fabric and history of our community, an organization that has touched the lives of so many

young people. There's plenty of room in the Armory to support the great arts programming that the Conservancy presents as well as continuing to be the permanent home of the Greys. Here's to another century of the Knickerbocker Greys!"
