

NEW YORK STATE SENATOR

Liz Krueger

Sen. Krueger's Guide to Abortion Care in New York City

LIZ KRUEGER December 1, 2024

| ISSUE: **ABORTION, REPRODUCTIVE RIGHTS, ACCESS TO HEALTHCARE**

A resource for individuals who seek information about accessing abortion care and contraception in New York City, including information about New York State abortion law, abortion services and procedures, and how to access abortion care and contraception.

The guide includes a list of telehealth medication abortion providers, as well as community-based abortion clinics and hospital and hospital-based abortion centers.

You can view the guide below, or download a PDF from this page. Contact our district office to request a physical copy.
