Thank you, madam president.

So I'm Senator Chan. I also went to Fort Hamilton High School forty years ago. But welcome to Albany. I'm very, very proud of you. My daughter does not go to Brooklyn Tech; the other tech, Staten Island Tech, and you guys are rivals over there, right?

Okay. So thank you. I'm very, very proud of you.

I represent South Brooklyn just next to Senator Gournardes... So we have a rivalry going on.

I'm very proud of you. You are definitely the foremost representation of Brooklyn. Welcome to Albany; thank you very much. Congratulations.
