STATEMENT — *from* — NYS SENATOR PAM HELMING Representing the 54th District

q

Congratulations to the City of Canandaigua on its DRI award and to the Village of Phelps on its NY Forward award. This state investment not only supports housing and small business growth but can also help stimulate additional private investment in our downtowns and in the broader community. As State Senator, I was proud to support the City of Canandaigua and Village of Phelps in their applications and I celebrate these wins with them.
