“The price of attending college is a very serious concern for many students and families throughout New York State,” **Sen. Griffo said.** “This is a chance to help students lessen the burden of college debt and to defray some of the expenses incurred when seeking higher education. I encourage every eligible student in my district to apply for this scholarship.”

The New York Conference of Italian American State Legislators is a bipartisan organization of state Assembly and Senate members who actively promote and celebrate the state’s Italian American community. Sen. Griffo has been an active member of the Conference and has served as Past President of the organization.
