

2025-R488

Senate Resolution No. 488

BY: Senator STEWART-COUSINS

RESOLUTION in response to the 2025-2026 Executive Budget submission (Legislative Bills S.3000-A, S.3001, S.3002, S.3003-A, S.3004-A, S.3005-A, S.3006-A, S.3007-A, S.3008-A, S.3009-A) to be adopted as legislation expressing the position of the New York State Senate relating to the 2025-2026 New York State Budget

WHEREAS, It is the intent of the Senate to effectuate the timely passage of a State Budget; and

WHEREAS, It is the intent of the Senate to engage in the Budget Conference Committee process, which promotes increased participation by the members of the Legislature and the public; and

WHEREAS, The Senate Finance Committee has conducted an extensive study and review of the Governor's 2025-2026 Executive Budget submission and has recommended proposed amendments to such Budget submission in the above referenced Legislative Bills and Report on the Executive Budget; and

WHEREAS, Article VII of the New York State Constitution provides the framework under which the New York State Budget is submitted, amended and enacted. The New York State Courts have limited the Legislature in how it may change the appropriations bills submitted by the Governor.

The Legislature can delete or reduce items of appropriation contained in the several appropriation bills submitted by the Governor in conjunction with the Executive Budget, and it can add additional items of appropriation to those bills provided that such additions are stated separately and distinctly from the original items of the bill and refer each to a single object or purpose; and

WHEREAS, An extensive study and review of the Governor's 2025-2026 Executive Budget submission has revealed that the construction of the budget bills submitted to the Legislature by the Governor constrains the Legislature in its ability to fully effectuate its intent in amending the Governor's budget submission; and

WHEREAS, The Senate has amended the Governor's 2025-2026 Executive Budget submission to the fullest extent possible within the authority provided to it pursuant to Section 4 of Article VII of the New York State Constitution; and

WHEREAS, The Senate, in addition to the Governor's 2025-2026 Executive Budget submission bills as amended by the Senate in the above referenced legislative bills, does hereby provide its recommendations as to provisions in the Governor's 2025-2026 Executive Budget submission which reflect those items the Senate is constrained from effectuating as amendments to the 2025-2026 Executive Budget appended hereto; and

WHEREAS, It is the intent of the Senate that upon the passage of the Governor's 2025-2026 Executive Budget submission as amended by the

Senate, the incorporated Report on the Amended Executive Budget may provide a basis for both houses of the Legislature to convene Committees on Conference pursuant to Joint Rule III of the Senate and Assembly for the purpose of reconciling any differences between the amendments to the

Governor's budget as proposed by each house of the Legislature; now, therefore, be it

RESOLVED, That the above referenced legislative bills (Legislative Bills S.3000-B, S.3001, S.3002, S.3003-B, S.3004-B, S.3005-B, S.3006-B, S.3007-B, S.3008-B, S.3009-B) be and are incorporated as part of this resolution and are hereby adopted as the New York State Senate's budget proposal for the 2025-2026 New York State Budget.

Article VII Proposals (S.3007-B)

* PART A - The Senate modifies the Executive proposal to extend the Medicaid Global Cap through SFY 2026 to permanently repeal the cap (S.4502).

* PART B - The Senate modifies the Executive proposal to extend and make permanent various provisions of law to extend, for two years, provisions that the Executive proposed to make permanent. The Senate also rejects the Executive proposal to delay the Department of Health Assisted Living Program Needs Methodology, which is currently set to start on April 1, for one year.

* PART C - The Senate intentionally omits the Executive proposal to eliminate the ability of prescribers to overrule Medicaid denials of coverage for prescription drugs when the prescriber's choice of the drug is not clinically supported.

* PART D -The Senate modifies the Executive proposal to reduce supplemental hospital payments by including language to make these changes contingent on Federal approval of additional hospital funds.

* PART E - The Senate modifies the Executive Proposal to intentionally omit the proposal to exclude Medicaid Managed Care (MMC) from the Independent Dispute Resolution process. The Senate accepts the Executive proposal to shift long-term nursing home stays from MMC to Medicaid Fee for Service, aligning coverage with the Medicaid Long Term Care Partial Capitation Program. The Senate modifies the Executive proposal authorizing DOH to impose penalties on Managed Care Organizations (MCOs) that violate state and federal laws and regulations or the Medicaid model contract by adding provisions ensuring due process.

* PART F - The Senate modifies the Executive proposal to codify the Managed Care Organization (MCO) tax and authorize health provider investments to conform with the additional investments in appropriations. It also adds language updating the federally qualified health center rate methodology (S.4589), reducing nursing home and hospital capital rate cuts by 10%, and modifying nursing home rate increases to create an equitable geographical distribution.

* PART G - The Senate modifies the Executive proposal to extend the Excess Physician's Medical Malpractice Program to June 30, 2026 and require physicians to buy their own coverage and the Department of Financial Services (DFS) would reimburse them later.
