

NEW YORK STATE SENATOR

Samra G. Brouk

Senator Samra Brouk Statement on Federal Cuts to Mental Healthcare

SAMRA G. BROUK March 26, 2025

Senator Samra Brouk: "Federal cuts to lifesaving mental health services are both cruel and irresponsible. We cannot undo years of creating effective structures, programs, & services for New Yorkers. I am committed to expanding support for every individual who needs mental health services in this state."
