The virtual event, held at 6:00 PM, focused on helping New Yorkers better understand the REAL ID and Enhanced ID requirements ahead of the upcoming federal deadline.

During the webinar, participants learned about the key differences between REAL ID and Enhanced ID, the documents required to obtain them, and the impact these forms of identification will have on domestic air travel after the **May 7, 2025** deadline.

"This was an important opportunity to ensure our community has the knowledge and tools needed to navigate the new ID requirements with confidence," said Senator Persaud. "With the deadline approaching, we want every New Yorker to be informed and prepared."
