Addabbo Hosts MetroCard Van At His Middle Village Office

JOSEPH P. ADDABBO JR. May 29, 2025

Many constituents took advantage of the MetroCard Van services.

Dozens of residents in need of accessing MetroCard services, visited Senator Joseph P. Addabbo Jr.'s Middle Village Office on May 29, 2025, where he hosted the MetroCard Van.

The Mobile Sales Vehicle helped with reduced-fare applications, balance transfers, damaged card exchanges, lost/stolen card reports, and other MetroCard issues.

“Many parts of my district lack easy access to transit services,” Addabbo said. “Bringing the MetroCard Van here helps residents get the support they need without traveling far.”
