

## 2025-J1100

Senate Resolution No. 1100

BY: Senator HINCHEY

MEMORIALIZING Governor Kathy Hochul to proclaim  
September 21-27, 2025, as Frontotemporal  
Degeneration Awareness Week in the State of New York

WHEREAS, It is the custom of this Legislative Body to recognize  
official weeks that are set aside to increase awareness of serious  
health conditions that affect the lives of citizens of New York State;  
and

WHEREAS, Attendant to such concern and in full accord with its  
long-standing traditions, it is the sense of this Legislative Body to  
memorialize Governor Kathy Hochul to proclaim September 21-27, 2025, as  
Frontotemporal Degeneration Awareness Week in the State of New York, in  
conjunction with the observance of World Frontotemporal Degeneration  
Awareness Week; and

WHEREAS, Frontotemporal Degeneration (FTD) is a terminal and  
incurable brain disease affecting the frontal and temporal lobes causing  
impairments to speech, personality, behavior and motor skills; and

WHEREAS, FTD most commonly affects people in the 40-60 age range,  
rendering people in the prime of life unable to work or function  
normally; and

WHEREAS, FTD represents an estimated 10-20 percent of all dementia

cases and is the most common form of dementia for people under the age of 60; and

WHEREAS, Frontotemporal Degeneration is often misdiagnosed as a psychiatric problem or other neurodegenerative disease because of the wide range of cognitive and behavioral symptoms and their young onset; and

WHEREAS, FTD imposes average annual costs associated with care and living with the disease that are approximately double those of Alzheimer's disease; and

WHEREAS, Frontotemporal Degeneration often affects a person's ability to express emotions show affection and empathy for loved ones; and

WHEREAS, In the behavioral variant of FTD, a person's sense of social graces and appropriate behavior can be lost, and their personality may be significantly changed; and

WHEREAS, Furthermore, in the language variants of FTD (primary progressive aphasia), a person may have trouble producing speech and understanding grammar, lose the meaning of words or become hesitant in their speech and may eventually become mute; and

WHEREAS, In the movement variants of Frontotemporal Degeneration, a person may experience muscle weakness, falling, loss of balance, difficulty making speech, difficulty swallowing, or choking; and

WHEREAS, While there has never been a global epidemiology study of FTD, it is estimated that between 50,000 and 60,000 people are affected

in the United States today; and

WHEREAS, It is imperative that there be greater awareness of this serious disease, and more must be done to increase activity at the local, State and National levels; now, therefore, be it

RESOLVED, That this Legislative Body pause in its deliberations to memorialize Governor Kathy Hochul to proclaim September 21-27, 2025, as Frontotemporal Degeneration Awareness Week in the State of New York; and be it further

RESOLVED, That a copy of this Resolution, suitably engrossed, be transmitted to The Honorable Kathy Hochul, Governor of the State of New York.
