Senator Addabbo greets his constituents.

In an effort to bring cool enjoyment and activity to constituents age 55 and older in his district, Senator Joseph P. Addabbo, Jr. hosted a free bowling event at Bowl 360 in Ozone Park on June 23, 2025. The two-hour action-packed event drew more than two dozen seniors from across the district, some of whom were seasoned bowlers and others who were new to the game.

“In the summer, especially with the oppressive heat, I am happy to offer this free activity in an air-conditioned environment where seniors can remain comfortable and active,” Addabbo

said. "This is a great way for older adults to make new friends and explore different forms of exercise and recreation. I would like to extend special thanks to Bowl 360 for co-sponsoring the event."
