Senator Steve Rhoads is hitting the road once again to meet directly with residents as part of his 3rd Annual Mobile Office Hour Tour.

Following two successful years and over two dozen stops across Senate District 5, Senator Rhoads is bringing his Mobile Office Hours back by popular demand—offering constituents even more opportunities to speak one-on-one with their State Senator at convenient local library locations.

“Accessible leadership means being present, listening, and staying connected to the people you serve,” **said Senator Rhoads**. “These Mobile Office Hours give me the chance to hear directly from you about the issues that matter most—and that’s what drives my work every day. I’m excited to continue these conversations across the district.”

Appointments are **required** by calling Senator Rhoads’ District Office at 516-882-0630, though walk-ins will be welcomed if time permits. Dates and times are subject to change without notice so please call Senator Rhoads’ District Office to verify.
