

NEW YORK STATE SENATOR

Peter Oberacker

First Annual 51st District Back to School Backpack & Supply Drive

[Peter Oberacker](#)

July 25, 2025

As families across our region begin preparing for the school year, we're working to ensure that every child has the tools they need to succeed.

Senator Peter Oberacker is proud to host the First Annual 51st Senate District Back to School Backpack & Supply Drive. We are collecting new or gently used backpacks and school supplies to distribute to local students and families in need before the school year begins.

Together, we can make a real difference for children throughout our communities.
