On Thursday, June 26th, Senator Serrano joined NYC Parks Commissioner Iris Rodriguez-Rosa, President/CEO of the Central Park Conservancy Betsy Smith, and his colleagues in government at a ceremony celebrating the opening of the 2025 outdoor pool season at the grand opening of the Gottesman Pool at the Davis Center in Central Park. This new pool, situated near Lenox Avenue/Malcolm X Boulevard and West 110th Street, provides an excellent opportunity for people to escape the summer heat and enjoy a swim.
