A champion for advocating for a more inclusive New York, New York State Senator Rob Rolison (R-39) accepted the Ability Hero Award from CP Unlimited. The honor highlights his co-sponsorship of the Traveling with Dignity Act, which will bring adult changing facilities to public spaces, ensuring that people with disabilities and others can access these spaces with comfort and dignity. Senator Rolison works closely with advocates, families, and organizations across the state to advance policies that support equity, accessibility, and independence for all New Yorkers.
