

NEW YORK STATE SENATOR

Patricia Canzoneri-Fitzpatrick

Senator Canzoneri-Fitzpatrick and Green Acres Mall Support Local Families with Backpack Donations

PATRICIA CANZONERI-FITZPATRICK August 5, 2025

Nassau County, NY - Ahead of the new school year, **Senator Patricia Canzoneri-Fitzpatrick** donated hundreds of backpacks filled with school supplies to support students in need across the community. The effort was made possible through a generous partnership with **Green Acres Mall**.

Backpacks were distributed to two local organizations: **the Jamaica Square Improvement League** in Elmont, to support children in the Elmont community, and the **New Life Center**,

which supports families across Nassau County, to help children in need start the school year prepared.

q

*“This time of year can be stressful for families, especially those facing financial challenges,” said **Senator Canzoneri-Fitzpatrick**. “Every child deserves the tools to succeed in school, and I’m proud to help provide that support. I want to extend my heartfelt thanks to Green Acres Mall for their incredible partnership. This initiative wouldn’t have been possible without them.”*

The initiative reflects Senator Canzoneri-Fitzpatrick’s ongoing commitment to children and families across the 9th Senate District, helping ensure that all students can begin the year on the right foot.
