JOSEPH P. ADDABBO JR. August 8, 2025

Senator Addabbo speaks with Community Board 6 Chairwoman Heather Beers-Dimitriadis at the National Night Out Event hosted by the 112th Precinct.

Senator Joseph P. Addabbo, Jr. participated in the National Night Out events across his district's precincts—102, 104, 106, and 112—to foster community engagement and strengthen partnerships between residents and law enforcement.

“National Night Out is a vital opportunity to recognize and thank our dedicated police officers who work tirelessly to keep our neighborhoods safe,” said Senator Addabbo. “It’s

equally important to build trust and camaraderie within our communities, and these events provide a wonderful platform to do just that.”
