Hoppy Holidays!

Jeffrey D. Klein

April 2, 2008

BRONX-Over 700 parents, grandparents, and children streamed into Maestro's for SenatorJeff Klein's 14th Annual East Bunny Breakfast. Families enjoyed a complimentary continental breakfast while kids siddled up to the Easter Bunny for pictures. The morning was filled with fun activities from a special "build a bunny" station, to the magical stylings of John the Magician. Senator Klein got in on the action too, helping kids stuff personal bunnies and talking to parents about education and other issues of concern.
