

NEW YORK STATE SENATOR

Malcolm Smith

A Veteran's Day Message From Senator Malcolm Smith

MALCOLM A. SMITH November 10, 2008

"Today is a somber day for all Americans, as we pay homage to the men and women whose dedicated service to our nation has enabled generations of Americans to live in freedom. There is no greater service, no greater sacrifice than those our Veterans have made throughout American history. Their bravery and their patriotism mark them as our best citizens.
