Senator Maziarz Visits Locally Owned Coca Cola Plant in Tonawanda

GEORGE D. MAZIARZ January 29, 2009

On Thursday, January 29th, Senator George D. Maziarz took a tour of the locally owned and operated Coca-Cola Plant on Milens Road in the town of Tonawanda. Senator Maziarz met with a number of workers at the facility and toured the plant with Director of Operations Pat Greco. Local Coca-Cola leaders have voiced concerns about the new Soda Tax proposed by New York State Governor David Paterson, which Senator Maziarz opposes. This particular plant is family-owned and operated, currently employing 146 Western New York residents. It is always important to understand and address the concerns of local businesses

that employ local residents such as this Coca-Cola plant.
