Organized by Radio Vision Cristiana International and the New York Hispanic Clergy Organization, thousands of Hispanic religious believers will conduct a demonstration in front of the Manhattan Office of NYS Governor David Paterson, to protest the Governor's insistence in introducing homosexual marriage in the State of New York.

This demonstration will take place on:

Place: 633 Third Avenue, Bet., 40th and 41st Streets, NYC, NY.
(Subways: #4, 5,6,7 to 42nd & Lexington)
Date: Sunday, May 17, 2009
Time: 1:00 p.m.

Rev. Dr. Milton Donato, President of Radio Vision Cristiana Int., expressed his disappointment with Governor Paterson saying: "Radio Vision Cristiana has been motivated to respond to Governor David Paterson and every other elected official, to let them know that we are not sleeping and that we will not stay idle with our

hands crossed while they pressure and promote marriage between persons of the same sex".

State Senator Rev. Ruben Diaz who has been an ardent opponent of gay marriage said: "I am satisfied with the response against same sex marriage by members of the community including, Catholics, Evangelicals, Jews, Muslims, and non believers".
