GEORGE D. MAZIARZ June 22, 2009

Owners Frank Budwey, Paul Lamparelli & Peter Lamparelli invited the community to a formal ribbon cutting to celebrate the official opening of Newfane's new Budwey's Supermarket, located at 2555 Main Street in the Village.

The Opening took place at 9am on Sunday, June 21, 2009. Regular store hours will be from 7am to 10pm daily.

This project represents a significant investment in the town of Newfane with owners contributing over \$2 million to fully renovate an existing vacant structure. The building was expanded over 1,000 square feet to over 19 thousand. Other improvements include: a new entranceway, a new roof, parking lot, sales floor, heating & cooling systems, equipment purchases, as well as a new outside pavilion and tent which will offer ready to serve grilled foods.
