

NEW YORK STATE SENATOR

Malcolm Smith

Statement From Senate President And Majority Leader Malcolm A. Smith And Senate Democratic Conference Leader John L. Sampson

MALCOLM A. SMITH July 6, 2009

“There are a number of public proposals regarding a governing agreement for the Senate which the Democratic Conference will be discussing tomorrow. We are encouraged by the progress that has been made thus far and will continue to bridge the gap on a reasonable solution that will allow the Senate to get back to passing legislation critical to millions of New Yorkers.”
