### Governor Signs Into Law Two Sen. Adams-Sponsored Bills

*July 29, 2009*

Governor Paterson signed into law two bills sponsored by NYS Senator Eric Adams. Below is an overview of these two important pieces of legislation introduced by Senator Adams:

#### **Bill No. S2782 - Surrogate's Court Procedure Act**

This bill increases the time given a court to confirm the appointment of a standby guardian from sixty days to one hundred eighty days. It is designed to ease families and children through difficult court proceeding processes.

#### **Bill No. S3762**

This bill requires greater disclosure by stores of their refund policies. It will ensure that merchants fully disclose their refund policies, empowering consumers to make more informed purchasing decisions.
